Center for Forensic Science Research and Education				
		Certificate Program in Forensic Toxicology	40	15
West Virginia University				
	Online	Chemical Spot Tests for Illicit Drugs	5	1.5
	Online	Crime Scene Investigation	20	7.5
	Online	DNA Analysis for Forensic Based Evidence	25	9
	Online	Ethics in Forensic Science	20	7.5
	Online	Evidence Analysis: Beyond the Crime Scene	15	5.5
	Online	Forensic Entomology for the Crime Scene Investigator	15	5.5
	Online	Forensic Mass Spectrometry	31	11.5
	Online	Forensic Photography	28	10.5
	Online	Fundamentals of Forensic Toxicology	20	7.5
	Online	Hair Evaluation for DNA Analysis	28	10.5
	Online	Integrated Ballistics identification System	15	5.5
	Online	Introduction to Bloodstain Pattern Analysis	19	7
	Online	Introduction to Drug Chemistry	32	12
	Online	Introduction to Firearms and Toolmarks	25	9
	Online	Introduction to Fish and Wildlife Investigation	16	6
	Online	Perspectives in Expert Testimony	20	7.5
	Online	Principles of Death Investigation	20	7.5
	Online	Roles in Forensic Science: The Sociological Perspective	20	7.5
	Online	Shooting Reconstruction	22	8
	Online	The Basics of Biological Evidence	25	9
	Online	Fibers and Textiles for Forensic Scientists	20	7.5
	Online	Fundamentals of Forensic Questioned Documents	22	8
	Online	Science of Fingerprints	30	11
	Online	Fundamentals of Latent Print Examination	15	5.5
	Online	Essentials of Forensic Nursing	20	7.5
	Online	Glass: Basic Principles of Trace Evidence Series	13	4.5
	Online	Forensic Paint Analysis	15	5.5
RTI forensicED				
	Online	Any course offered on www.forensiced.org has been vetted. Awarded 1.5 points for combined 4 contact hours		
Mid-America Forensic DNA Conference				
		While not on the list of approved organizations, the workshops offered at this conference have been vetted. Awarded 1.5 points for combined 4 contact hours, or 3 points for combined 8 hours		
International Association of Forensic Sciences (IAFS)				
		While not on the list of approved organizations, the workshops offered at this conference have been vetted. Awarded 1.5 points for combined 4 contact hours, or 3 points for combined 8 hours		
National Forensic Science Technology Center (NFSTC)				
	Rockne			
	Harmon,	Courtroom Testimony - 3 day course - attendees		
	Mitch	required to attend all of day 1, and half of either day 2		
	Morrissey,	OR day 3. Vetted to receive 3 points for each full day,		
	Robert	and 1.5 points for each half day attended		
	O'Brien			

Provider	Instructor	Title	Ave Contact Hrs	Points
California Criminalistics Institute (CCI)				
	Donald T Jones	Clothing Examination	24	9
ANSI-ASQ National Accreditation Board (ANAB)				
		Any course offered on www.anab.org/training/forensic has been vetted. Awarded 1.5 points for combined 4 contact hours, or 3 points for each full day.		
National Institute of Justice (NIJ) Office of Justice Programs				
	Online	Any course offered on www.nij.gov/training/Pages/forensics.aspx has been vetted. Awarded 1.5 points for combined 4 contact hours, or 3 points for each full day.		
FBI Quality Assurance Standards (QAS)				
	Online	DNA Auditor Training. 3 pts/day: per FBI instructor, average contact hours are approx 9-10 hrs for completion		
UCF NCFS training				
	Online	Basic Fire Debris Analysis	20	7.5
	Online	Advanced Fire Debris Analysis	20	7.5
	Online	Gas Chromatography/Mass Spectrometry	20	7.5
North Carolina Department of Justice Crime Laboratory				
	annual course	Clandestine Laboratory Response Certification/Recertification	8	3
Gunlearn.com				
	Online	Series of 14 modules for firearm specialists. Training hours may be combined for 4 total contact hours per web-based education rules. 1.5 points awarded for 4 contact hours.		
National Institute of Standards and Technology (NIST)				
	In-person or Online	Forensics @ NIST	16	6

LC/GC's CHROMacademy				
	Online	HPLC eLearning/webcase/tutorial modules - may be combined with other courses for a minimum of 4 contact hours worth 1.5 points total		
		GC eLearning/webcast/tutorial modules - may be combined with other courses for a minimum of 4 contact hours worth 1.5 points total		
		Sample Prep eLearning/webcast/tutorial modules - may be combined with other courses for a minimum of 4 contact hours worth 1.5 points total		
		MS eLearning/webcast/tutorial modules - may be combined with other courses for a minimum of 4 contact hours worth 1.5 points total		
		Infrared eLearning/webcast/tutorial modules - may be combined with other courses for a minimum of 4 contact hours worth 1.5 points total		
International Microscopy Conference sponsored by McCrone Research Institute				
	In-person conf	While not on the list of approved organizations, the discussions and workshops offered at this conference have been vetted. Awarded 3 points/day		
Impression, Pattern and Trace Evidence Symposium (IPTES)				
	In-person conf	While not on the list of approved organizations, the discussions and workshops offered at this conference have been vetted. Awarded 3 points/day		
Potomac Regional Symposium on DNA Forensic Analysis				
	In-person conf	While not on the list of approved organizations, the discussions and workshops offered at this conference have been vetted. Awarded 3 points/day in either Section III or Specialty.		
DEA Lecture Series				
	In-person lecture	While not on the list of approved organizations, the lecture series topics are relevant and have been vetted. Awarded 3 points/day in either Section III or Specialty.		
DEA Lecture Series				
	In-person meeting	While not on the list of approved organizations, the annual user group meeting has been vetted. Awarded 3 points/day in workshop/in-service training in Section III only.		
Cognitive Bias and Human Factors in Forensic Decision Making				
	Dr Itiel Dror	Vetted for Section III points only. Awarded 3 points/day in workshop/in-service training.		
MAFS Leadership Symposium				
	Online	2018 Summer Webinar	8	3
STRmix Regional Training Workshops				
	In-service training at lab site	Vetted for Section III.A.1 or Specialty A.1 points.	32	12
