

ED RHODES SCHOLARSHIP

In memory of Edward Rhodes, a pioneer in forensic education and certification, ABC developed the Ed Rhodes Scholarship program. This program allows each Member Organization to select one member each year to receive one waived examination sitting fee. The scholarship must be used in the year it is submitted. Unused scholarships will be made available in the next calendar year on a first-come first-served basis to any Member Organization.

To the Candidate: If you choose to take more than one examination during the year, only one fee will be waived. Please fill out the form below and submit it to your Organization's Board of Directors for consideration. The Certification Examination Application Fee is the responsibility of the candidate.
